

39th Annual Dinner Dance

On the 27th of June, The Silver Fawn Club held their Annual Dinner Dance at Ithaca Bowls Club in Red Hill. The night started at 7pm, with music by Arden, Ray and Huia, to get the vibe flowing but by 8:30 pm DJ Dark'N'Tall cranked it up with his beats. Daddy Cool also provided lovely music for the night, with everyone dancing the night away it was hard to keep up. Thanks goes to all those who helped provide music for the night.

The hall was decorated by Isidore, Andy, Eggerton and Beatrice, Collin and the Tucker Family. We can all say that the hall looked beautiful because of them and their artistic views. Thanks go out to those who decorated the hall so well. I would also like to thank Davanal for the souvenir and others for raffle prizes and the door prize.

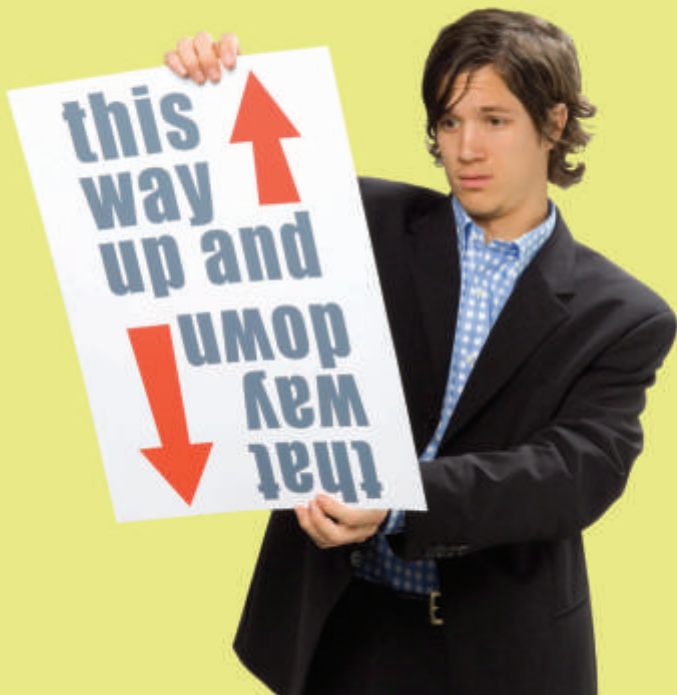

Now that the night was well under way, food was the next thing on everyone's mind and who was there to provide such good food? Peter Hapuarachchi. Thanks also are in order to thank him and his catering team for the excellent food. Without them the night would be incomplete.

It is safe to say that the night was a success, with a good turnout of people. As Vice-President of the Club I'd like to say on behalf of the club I am thankful to anybody that helped or was involved with the dance in some way. I'd also like to give thanks to Coll at the bar and his team for the service they provided us with.

Overall this night was great and in the future I hope any function run by the Silver Fawn Club can be as good and flow easily like this one. I would like to say a final thanks to anyone that attended and helped assist with this fabulous night. I also hope to see all our club members at our big dance next year 2010, for our 40th anniversary.
