President's message

Greeting members,

Our beloved Aunty Una is sadly no longer with us. She passed away peacefully on 15 June after a brief illness, surrounded by family and loved ones, and having first made numerous calls with special messages of goodbye before she closed her eyes. What an amazing, wonderful and grand lady; always impeccably dressed and always 'full of beans'. I loved her dearly and she loved us all in a way that made each of us feel so special. I will always cherish those precious occasions when we sang and played together around her piano – she loved music and was an accomplished piano player, of course.

I'm so glad we honoured Aunty Una as a Club at our Mother's Day function in May, which she was unfortunately unable to attend. She did send us a note of thanks which is included later in this Newsletter, along with a beautiful little tribute written by Denis, which sums up our Aunty Una much better than I could. Rest in Peace dear, dear Aunty Una, we are all so blessed to have had you in our lives.

Our heartfelt condolences also to Betty and Hals Van der Poorten, Fiona, and the rest of their lovely family for the devastating loss, on 22 June, of their beautiful daughter Nicky just before her 60th birthday, after a lengthy battle with Cancer. Like her late sister Bronwyn, Nicky fought courageously to stay, and went to great lengths to shield her family and loved ones from her pain. She was also well loved and cared for by a fantastic group of friends until the end, and leaves behind her husband Peter, and three children Lola, Lily and Eva.

Can I please draw your attention to an important notice later in this Newsletter about improving communications with members. It outlines how the Committee will be using email in future to keep in touch with members on a more regular basis. As always, we welcome your feedback on how we can maximise its use without overloading your email box.

Rin Fernando's Legal presentation on 23rd June was insightful and authentic, especially when it came to answering questions from the audience. I want to thank him for giving us his time and expertise and his overall professionalism. More about his presentation later in this Newsletter.

The Committee is busy completing preparations for our 'Christmas in July' Have-a-Chat at the end of July. We are looking forward to trying our new caterer from My Catering Club and are confident that as an experienced caterer, Con Papamitros will deliver a great Roast Meal complete with an alternate drop of Pavlova and Plum Pudding with Brandy Custard for dessert. More information and details are in this Newsletter. Please note that bookings need to close by 24th July for catering reasons, and places are limited.

Believe it or not, by the time you receive your next Newsletter (Sep/Oct), we will have had our Gala Anniversary Dance! Yes, September is not really that far away, and this event is also firmly on our radar. We have a terrific venue at Toowong (Figs on Sylvan), we've negotiated a lovely buffet dinner and arranged some great music. So, we hope you have already 'saved the date' and are making your own plans to get some friends together, put on your best threads and come have a ritzy night of fun, food and dancing. More information about this exciting event is in this Newsletter.

At time of writing, our next bus trip is just a few days away and once again, we have about 35 members coming along to Eumundi for the day. If our previous bus trips are any guide, this should also be another great, fun day out for us all. Thanks in advance to Suzie for organising it all once again in her characteristic quiet, no-fuss manner.

That's about all for now. Things in Sri Lanka sadly seem to be deteriorating even more and predictions are that it'll will get worse before getting better. Of course, the problem is that nobody can actually predict when things WILL get better. All we can do is continue to keep close to our family and friends over there, help them wherever possible, and keep them all in our prayers. I hope your family and friends over there are doing ok, all things considered.

Keep well, stay safe and be kind to each other.

Laurensz

***** IMPORTANT NOTICE *****

IMPROVING COMMUNICATION WITH MEMBERS

You may have noticed a few emails from newsletter.silverfawn@gmail.com in your email box in the last 4-6 weeks. This is because we've been trying out a new way of keeping in more regular touch with our members. Let me explain....

Our biggest challenge as a Committee is how we keep our members abreast of everything that's happening in the Club. For as long as I can recall, the club sends out six newsletters per year. However, that's hardly sufficient to keep members up-to-date in this day and age (and exacerbated by the uncertainty of Covid in recent years). So, there have been instances where Committee members have been forced to do 'call-arounds' to members for a variety of reasons (eg. cancellations, reminders re upcoming functions, closing dates etc). This is clearly very time-consuming and unsustainable for the Committee members.

After considerable work over more than 12-18 months, we have finally collected email addresses for most members which now enables us to send out a 'group email' to the majority of the membership. Going forward, this is how we propose to use the "group email" process:

1. From time to time you will be receiving emails from newsletter.silverfawn@gmail.com. These will mainly refer to upcoming events and deadlines, and occasionally share important/urgent community information.
2. As a general rule, we will send out two reminders per event;
 - one will be about 4 weeks before the event and
 - the second will be a final reminder, about 2 days before the closing date for bookings.This will ensure that members are fully aware of upcoming events and can book in time should they wish to attend, rather than have to remember what was in the Newsletter.
3. These emails will be sent using "Mail Chimp" which will allow you to "Opt Out" at any time if you don't wish to receive these emails. Please note that you will still receive your hard copy Newsletter if that's what you have previously requested.
4. The group emails you receive will generally have icons like this:

IMPORTANT NOTE: If you have never received any emails from newsletter.silverfawn@gmail.com, then we don't have your email address in our records. If you wish to be on the group emailing list, please send your current email address to newsletter.silverfawn@gmail.com

We trust you will support this committee initiative to improve communications with members.

Suzie and Laurensz

Thank you message from Una de Zilva's Family

Thank you message from Una de Zilva's Family

This message of appreciation was received from A. Una's family only a few days before she passed away.

A beautiful gesture was extended by President Laurensz Murricks and the Management Committee of The Silver Fawn Club to our wonderful matriarch, Una de Zilva.

She was filled with appreciation and pride to be the recipient of the club's inaugural Mothers' Day Award and to be presented with a very special plaque and bouquet of flowers.

Whether you lovingly know her as Daughter, Sister, Mummy, Ma de Zilva, Mum, Mumsie, Granny, Granna, Nanna, Mrs Zee, Aunty Una or Una, you will undoubtedly have been influenced by her character, charm and class.

Her family have been fortunate to have grown with her wisdom and under her guidance where she has always taught us to live our lives with faith, humility, example and love.

Unfortunately, after having a fall, she was unable to attend the presentation in person but she sends her thanks, love and God's blessings to you all.

With heartfelt gratitude from her children
Moira de Silva, Tania Ponniah and Malcolm & Chrizadelle de Zilva and their families.

Tribute to Aunty Una

To the Silver Fawn Club she was our Aunty Una. She often graced our functions, especially our Have-A-Chat lunches. Aunty Una had a regal presence, with a smile that lit up a room. She had that magical indefinable characteristic of charisma, a dignity and charm that was alluring. Aunty Una used to hold court at her table. "My eyes aren't so good, darling – just remind me who you are!" Then she would regale you with a list of stories about you and yours, many of which you had filed in the deep recesses of your own memory.

While her family and many friends will miss this grand lady, heaven has been graced with a new special angel. I can picture her holding court at her heavenly table, beaming with her smile and aura, oozing charm and dignity and dazzling the celestial courtiers with her amazing memory and her heartwarming stories.

Letters to the Committee

Thank you for the newsletter and the many interesting articles in it. The Anton Swan interview is a good addition.

Karol and I were truly disappointed to miss the Camp. We have attended several and always found them to be a rich experience. Sadly, our ages and accompanying issues prevent us driving long distances. Also the bunk beds would be a problem.

I hope we would be able to attend some of the functions being organised. For myself the bus trips and Christmas in July - here's hoping.

Kind regards.

Deanna

Thank you for the interesting Newsletter.

Let me use this opportunity to congratulate Gerard and his Team for having a very successful Camp. Well done.

It was very knowledgeable reading about the FSOQ and the coming events. Thank you.

Thank you for letting us know about the Everton Bowls Club hall. We will certainly be present at the Bowls Club for the next function.

Cheers,
Davenal

Looking forward to the dance also the barefoot bowls and most of all The Bollywood Dancing,
Hope I get a chance to attend.

Hope all went well for the Have a Chat. Good weather.

Hortense Duce

My sister Romany and her husband Neville, and Ian and myself enjoyed the Mother's Day Have-a-Chat thoroughly. The drawing game was a hoot, and a lot of fun. Thank you to all those involved in making this a memorable day. We also quite like the new venue - it was bright and airy. Enjoyed the delicious food too.

Kindest regards.

Cheers,

Trudy (Pietersz)

Bus trip to Eumundi

Illness saw our numbers drop from 35 to 32 but neither this sad news nor the threatening grey clouds were going to put a dampener on the intrepid crew of Silver Fawn bus trippers.

First stop Wappa Dam! This dam is not only beautiful it is also a peaceful slice of the Sunshine Coast Hinterland. Locals Ty and Kathy Fox very kindly arrived early and pegged out a large, covered picnic area which was a perfect setting for a sumptuous morning tea of tasty sandwiches and cake washed down by iced coffee. Many thanks to cooks, Suzie and her sisters, for filling our 'bundies' so eloquently. Good company and good food make for good community!

Onward to the crowded madness of the Eumundi Markets! The streets were cluttered with people and cars parked in every which way, as school holidays had emptied out Eumundi way. Then Peta met our bus and took us to an oasis VIP spot reserved for us. Another piece of organizational genius by the lovely Suzie! What a wonderful retreat from market madness. Market connoisseurs could go out on buying and reconnoitering forays while those of us not so inclined could sit and bask in the ambience of this peaceful retreat.

Our day trippers now moved on somewhat gingerly to our last venue. The Ginger Factory was a haven for tasty delights that catered for the Lankan sweet tooth. Some of us just sat and enjoyed each other's company amidst this sugar challenge while others still blessed with energy explored the beautiful ambience of the grounds and the allure of retail therapy to be had in the specialty shops.

Another enjoyable and successful Silver Fawn bus trip. Thanks Suzie for your organisational expertise - even if you weren't able to organise perfect weather! Thanks Gucci for your skillful driving of the beautiful Belbaker bus. And thanks day trippers for being the wonderful people you are who make for such a special day.

Community Seminar with Rin Fernando

Eighteen people attended the presentation by Rin Fernando at the Chermside Library. Laurensz Murricks, when introducing him, commented that he must have his lawyer's qual's very young because he still looks twelve. Looks deceive! Rin was a font of knowledge on matters that were of interest to our audience of Silver Fawn members, guests and members from FSOQ. Rin's presentation targeted the topics of Wills, Enduring Power of Attorney, and Advanced Health Directives. Rin also touched on conveyancing, alerting us to the advantage of contribution to Superannuation when downsizing your residential property. Rin's laid back, relational style made his professional Powerpoint presentation easily understood by the lay person. The fact that he hit the mark was borne out by the large number of questions, which were forthcoming during the presentation. He answered them to the obvious satisfaction of audience members.

Many thanks for your pertinent and interesting presentation Rin, and your 'easy listening' style.

On the Couch with Davenal Flanderka

(an interview with Denis Anthonisz)

Brief Bio

Davenal was a student at St Joseph's College and Aquinas University College, Sri Lanka. He met Margot, a Speech and Drama Teacher, when he was taking part in plays for the Wendy Whatmore School. (The makings of a beautiful rom.com movie plot!) Margot and Davenal were married in December 1971 at St Lawrence's Church, Wellawatte, Sri Lanka. Three months later, in February 1972, they migrated to Brisbane, Australia. Davenal and Margot are immensely proud of their three children, Michael, Simone, and Jaan and their nine grand children.

Davenal began his working life in Australia as an Accounts Clerk in Steelmark. His long years of part-time study at the University of Queensland saw him achieve a degree in accounting and the status of CPA. Then followed stints in David Jones, Myer (in Brisbane and Melbourne) and McDonnell and East, Brisbane in Executive Managerial positions in roles such as Financial Controller and National Implementation Manager for Point-of-Sale Systems. Davenal finished his career at Campbells Hardware and Timber, Queensland, as Group Accounting Manager and Auditor. A very impressive resume; testament to his arduous work and dedication. But he lists as his greatest achievement, his work with the Brisbane City Council subsidiary, when he was assigned the task of Project Co-Ordinator of rebuilding houses destroyed by the Tsunami in Sri Lanka with the gift from the Queensland Government to Sri Lanka.

Silver Fawn History

Davenal and Margot joined the Club in 1972 when they first arrived in Australia. He has been a committee member, Treasurer and President for eleven years (not consecutive), giving him the record for service in that position. It was indeed fitting that he was President in 2020, our 50th Anniversary. Davenal's devotion to the Club and passion for it is without peer. Margot piped in, "His life's in the Club. He lives and breathes it." Davenal's dedication to the Club has been rewarded with a Life Membership.

Sport/Recreation

Davenal played badminton at a competitive level in Sri Lanka. He is an armchair sports fan who enjoys watching cricket, swimming, hockey, AFL, Rugby, and soccer. Davenal likes to walk and loves dabbling with matters accounting on his computer.

Books

Davenal stated that he is not a book reader as such but enjoys reading magazines covering a wide range of interests. "I like to keep up with Sri Lankan news too."

Favourite Film

Davenal enjoys films in the detective genre. When pushed for a favourite he nominated "Top Gun" but admitted that he and Margot are not avid movie goers.

Favourite Food and Drinks

Davenal loves hoppers and anything Sri Lankan in the culinary line. He is partial to Chinese food. "Margot is a great cook. I would starve if I had to cook!" Davenal enjoys the odd drop of Scotch and Margot loves a glass of Moscato.

What sustains you/Inspires you?

"My family sustains me. I am proud of my children and their achievements in their careers" Davenal revels in following the many and varied exploits of his grandchildren, one of whom is a lawyer. Davenal loves the Club and has enjoyed every aspect of his involvement and service to it. When asked what inspires him, he answered, "Margot inspires me...and.... also keeps me in line."

What saddens you?

“Death saddens me, especially the suffering that often precedes it. I really struggle watching people die.” Davenal said his experiences in this arena have made him a strong supporter of Euthanasia.

Who are your Heroes?

Davenal stated he had no heroes as such but many people he admired. Shane Warne immediately came to mind as did Margot’s mum, Monica Andrado. The other people he nominated were all club luminaries, people whose passion and dedication he mirrored: Albert Schokman, Stan and Therese Anthonisz, Eustace Fernando, Denis Noble and Leslie Ephraims.

If you had a magic wand, how would you change the world?

While recognizing it is an impossible dream, Davenal said he would like to see a world without pain, without sorrow and a world where there was no racial discrimination.

We salute Davenal for his outstanding service to the Club and love of all things Silver Fawn. Take a bow, Sir!

Congratulations...

Congratulations to Melissa Edney (nee Schokman) and Teshani McManus (nee Pathikirikorale). Do these names sound familiar to you? Melissa and Teshani opened their new store, Coco Cabana Collection at Westfield Chermerside on Saturday 25 June.

Many of our club members were spied at the Grand Opening festivities enjoying champagne, chocolate-coated strawberries and cupcakes. There may have even been a purchase or two made at the event.

FSOQ Update

I want to update you on two things currently being managed by the FSOQ:

“Medicines for Sri Lanka” Project

As discussed in the last Newsletter, the FSOQ, on behalf of the Brisbane Sri Lankan Clubs and community is responding to urgent requests for medications from the Doctors Association of Sri Lanka (DASL). As medicines cannot be sent to Sri Lanka without local approval, a group of doctors from Brisbane are working with the DASL to prioritise their medical requirements and pay the approved Suppliers for these products.

According to FSOQ President Dr Jay Weerawardena, almost \$30,000 has already been paid to Suppliers for medicines, but donations have almost been exhausted. “We need your continued support please, until the sad situation in hospitals in Sri Lanka eases,” he said. You can donate on the FSOQ Website <http://www.fsoq.com.au/> A big thank you to everyone who has donated to date.

A reminder that there is no political affiliation in this Project. FSOQ and member associations work independently under the Australia governance rules, and no funds are sent to the Sri Lankan Government.

Sri Lanka Day 2022 - Multi-Cultural Cultural Festival and Food Fair

Sunday, 11 September 2022

Put this date in your diary everyone; this is going to be a big, big day for the Sri Lankan community in Brisbane. Following on from the wonderful success of the inaugural event last year, Sri Lanka Day 2022 will again feature lots of cultural activities and dances, plus some wonderful authentic Sri Lankan food stalls.

Most importantly, the Committee will be running a SFC Food Stall throughout the day, which will be a huge job for us all, so we hope that all our members will please come out in force and support our Club Food Stall and the event.

Thanks everyone.
